

ARTESANÍA DEL PRADO

POTTERY CLASSES

SEASON 2010

Fancy having a go at making pottery? We organise pottery day classes by appointment.

Where: At our studios near Olvera, [Provincia de Cádiz]

When: Weekdays preferably but we can accommodate a Saturday if desirable

Time: 11-2 break for lunch and continue 3.30-5.30

DETAILS

Classes will run if we have 4 or 5 people minimum so if you can get a group together then we can organise a suitable date.

Within this day you will have a taste of different methods of making and decorating pottery including a turn on the potter's wheel. Your creations will subsequently be fired within our normal firing schedule and ready for collection on notification.

The fee will be 50€ for the day including all materials and firing costs.

We are situated in a beautiful environment so for lunch the suggestion is that you bring a packed lunch. We have many lovely relaxing areas to rest and enjoy the countryside. However there are also numerous restaurants in Olvera 1.km away.

There is a Gallery on the premises where you can see our work and we offer a 10% discount to our course students on any items purchased on the day.

Alternative suggestions to the main course opposite

Individual tuition is available however this would be at a cost of 100 euros per course day.

Children's groups can be arranged however they should be 8 years and over and must be accompanied by an adult. The time for a children's class would be two hours and the cost would be 15€ per head with a minimum of 6 and a maximum of 10 children to a group.

On the group days we can arrange a delicious light three course lunch with wine and beer for a cost of 15€ per head.

If you have a different request that will not fit into the above please call us and we will try to accommodate you.

For further information about the courses please contact:
